Don Davenport

Don retired as CSM of the 205th MP Bn in 1980 after a long military career that began in World War II. He served in the European theater in the artillery where he had the distinction of being the youngest First Sergeant in the Army. In his many years in the Missouri National Guard, Don served with the 128th FA as well as the 205th MP Bn. Don was a piece of work. Like most great sergeants he was tough on the outside but a softy on the inside. He could passionately chew you out one minute, and praise you and be passing you a few bucks on the sly a few minutes later to help tide you over. There were no strangers around Don. Don was also an avid hunter and loved a good hunting dog. He was a great guy and kept in touch with all his old comrades after he retired. And he made sure we all kept in touch with each other. He passed away in 2005, but his friends in the 205th are trying to keep his memory and good works alive.
